Silent Auction

The NSPA will host a silent auction of curated items. A key draw for the auction are donated breeding pairs from the flocks of exhibitors. Donated birds should be healthy young birds representative of their breed.

Silent auction coops will be labeled with donor's name and the breed and variety of the birds. Birds must be cooped-in by 8:30 AM on Saturday, November 15 in the auction area. Birds entered in the show are not eligible.

Final selling price will be split 50/50 with NSPA and the consigner.

If you have questions or other items to donate, contact Cole Meador or email the NSPA at nestatepoultryassociation@gmail.com.

Membership

NSPA membership is NOT REQUIRED to enter our annual show nor to receive awards. It is appreciated to support opportunities to exhibit poultry in Nebraska. Memberships are available at time of registration or at any time at the Show Secretary's Table.

Individual Memberships
